

TCCRA Smart Racer / College Scholarship

The purpose of the TCCRA Smart Racer Program is to promote education for its off-road racers. This program not only offers scholarship money to our collegiate racers but also incentives for our Pre-K through High School racers. The scholarships and incentives offered through TCCRA have been made possible by the generosity of the motorcycle off-road community. This year's donations have been made by KTM USA, SMS Racing, AdvoCare, and donations from the TCCRA community itself. Winners will be based on GPA, TCCRA race involvement, and community/extracurricular activities. Winners and participants will be announced at the TCCRA banquet on December 11th, 2011.
